

YOUR WISHES FOR WHERE WE LIVE

IF GAVE
YOU 3 WISHES
FOR WHERE YOU LIVE
- WHAT
WOULD
YOU
WISH
FOR?

ALL THE
WISHES YOU
MADE
SHARED
THESE
CHARACTERISTICS.

A bit of peace and quiet.

SPRINKLE A LITTLE FAIRY DUST

Help that comes before you reach crisis

more chances to learn on just focused qualifications

more understand and acceptance amongst parents that they have a responsibility to look after their children

more support for parents

more understand in the community for vulnerable people

support available for vulnerable folk to day - helps them connect with other people

chances for people to have a go

more money should be given to local people to control

Involve more local women in decisions

I'd love to get my hands on the town centre and change it.

services that listen to individual and community experiences and care about what people are saying and asking for.

Improved transport

...and begin to make a difference in their lives.

safer communities where police are visible

and more warden's especially at night.

Community celebrations

more leisure and recreation opportunities for young people

A change in attitudes amongst young people about the acceptability of drug use

why do professionals and teachers feel threatened by parents asking for small but effective changes

For neighbourhoods where people are more polite and friendly

more information about what's happening in the community - like news about activities and changes being made

free from dog mess

A focus on good housing and good clean environment

more recognition of people who care and opportunities to build on helping each other.

People should take more pride in themselves and their communities

schools need to be better at working with parents when their child has disabilities or challenging behaviour

A different view of young people - as part of the solution, not just the problem

People should be inspired to change try their communities

opportunities to "bring folk together" to contribute to change

Better community facilities that all groups can use

to care for our children and to address behaviour in the community

new play areas or children near where they live.

ew housing, family here every with a garden access to a play space
